Electronic Payment Options – Federal Income & Estimated Taxes

Federal income tax balance due payments and quarterly estimated tax payments should be made electronically whenever possible. Electronic payments provide immediate confirmation and reduce processing delays.

Payment Options

- 1) **[IRS Direct Pay \(recommended for individuals\)](#)**
 - Free direct bank draft (no registration required)
 - Immediate confirmation number
 - Can schedule payments in advance

 - 2) **[IRS Account](#)**
 - All benefits of IRS Direct Pay plus access to historical tax data

 - 3) **[Credit Card, Debit Card and PayPal](#)**
 - Processing fees apply
-

Important Reminders

- Select the correct tax year and payment type (Estimated Tax or Balance Due).
- Retain your confirmation number.
- Submit payments at least 2–3 business days before the due date.
